Summer Swinging

Once again summer will be upon us before long. 1989 is going to have another fun-filled square dancing summer class. The last day of the regular season is in June; summer class will resume after the Canada Day celebration. There will be only Mainstream this year. Ye'all Basic graduates come out and join us for some down home fun now y'hear? Of course, all you Mainstreamers can also come refresh your Recycling and Passing to the Center. As for those know-it-alls, you too can come and enjoy the fun. Registration and further details will be posted in the very near future.

T-shirt Design Contest

Since the club badge design contest was such a success, perhaps a contest for a club T-shirt design would yield equally good results. Ye'all budding artists please forward any ideas to Jeremy Vincent (536-0209) or any member of the steering committee.

The Spring Fly-in

All the pieces are finally coming together. The fly-in will take place from March 3 to March 5. Here is the anticipated schedule of events:

Thursday, March 2

For the early birds, our regular class on Thursday will feature the renown caller from the West, Harlan Kerr. Class will begin as usual at 7 pm. Hoe-down continues till 10:30 pm.

Friday, March 3

Dancers from all over will congregate in the basement in St. Luke's United Church, 353 Sherbourne Street, on the corner of Sherbourne and Carlton. The dancing will begin at 7:00 pm and last until 10:00. We have confirmed over 20 dancers from New York, San Francisco, Vancouver, and other gay square dance centers in the continent.

There will be pot-luck-munchies similar to our fabulous Christmas party. Please feel free to bring any of your favorite recipes. But in order to co-ordinate a variety of refreshments, please check the list at the door during the next two Thursdays to see what is on the menu. If the Christmas pot-luck is any indication, our visitors will be sure to enjoy themselves.

Saturday, March 4

On Saturday, there will be an early 6 pm dinner at the Bumpkins on Gloucester Street. It is a pay-as-you-go kind of dinner, with everyone ordering a-la-carte. Then, all the delicious calories can be expended between 8 pm and 11 pm, in the 519 Church Street Community Center. It is rumored that there will be a gathering afterwards in one of the local watering holes.

Sunday, March 5

Sunday morning will start with brunch in P.J. Mellons on Church Street at 11:30 am. The last hurrah will begin at 1:00 pm in the Church Street Public School at the corner of Church and Alexander Street. The good-byes will be at 4:00 pm.

A registration form is attached at the end of the newsletter. Please fill out the information so we can prepare on the number of people going to the different events. We aim to please.

In preparation for the fly-in, the following advice suggests a few pointers to make our guests' visit more enjoyable.

We will need quite a few more billets to take care of everyone from out of town. Toronto's great tourist attractions and the callers' fine reputation have attracted almost thirty guests (and these are only the ones who have committed at the time of printing, there may be more). We need at least another sixteen billets to fill everyone's needs. It is understandable that with the Toronto housing situation, few people has the space to accommodate anyone other than themselves. However, those of us who have roomy homes should consider billeting as a most neighbourly way of making a new friend. If you have a corner or spare bed for a travelling square dancer, please fill out the information on the attached billeting form and contact Don Cheff (531-5795) or Jeremy Vincent (536-0209).

It seems that during our Thursday classes, many people tend to square up with friends they know well. This is perfectly understandable for classroom situation. However, this practice would make many guests, as well as local Triangle Square dancers, feel left out. Please consider asking a stranger to dance: don't be shy. Now it's the time to use all that assertiveness training. If you are really stuck on finding an opening line, try that old stand-by: "Howdy stranger, new in town?" Of course, if you happen to meet Miss Right or Mr. Perfect, it would be all right to dance tips after heavenly tips in the arms of that lovely person. But then again, remember that absence make the heart(-on) grow fonder.

Along the line of making the dances as enjoyable as possible, please spend a few minutes with the Caller Lab Manuals to review the calls at your level. It is very important to everyone's enjoyment that a Basic Dancer doesn't break down a Mainstream tip, or a Plus dancer doesn't try out in an Advanced tip. If you are not sure which level you are at currently, please ask either Ann, or Joe. They would be happy to help. To assist your determination, once again a list of all the calls in the Basic, Mainstream, and Plus levels is attached at the end of this issue. Feel free to save it with your other square dancing literature for future references.

Happy Valentine's Day
