

AFTER THE CONVENTION

Despite the last-minute changes of dates and venue, the "Cast A Shadow In The Sun", 1991 convention was a great success. Twenty-four dancers from Triangle Squares were there, the largest contingent to attend any I.A.G.S.D.C. convention from Toronto. Copies of the club photo should be available very soon to those who ordered them.

DANCING THROUGH THE SUMMER

June 27 will be our last regular Thursday session. However, there will be TWO Club Nights in July. On Thursday, July 11 Anne Uebelacker will be calling for us and Joe will call for us on Thursday, July 25. Don't miss these events.

GAY PRIDE DAY

Sunday, June 30 is the first "official" Gay Pride Day and Triangle Squares is doing a demo again. This time we kick off the entertainment on the North Stage, immediately after Councillor Jack Layton has addressed the crowd. We are scheduled to dance 1:10 - 1:30 p.m.

Herman and Stephen are also organizing the display

table that will be ours on that day. Please volunteer some time to hand out the flyers and brochures that we are having printed. It's a great way to meet people and watch the passing crowd.

Once again we are most grateful to Les for the time and effort he donates towards turning out the professional flyers and brochures that we give out.

As well as from the table, we intend to distribute the flyers to the crowd watching the parade. We shall probably be promenading and doing a few moves in the parade to advertise our presence. Join us and Swing Thru and Trade By Yonge Street.

INTRODUCTORY SQUARE DANCE

We constantly need to build up the numbers of dancers who attend Triangle Squares classes and we need to publicize this wonderful activity. To help with this, there is to be a special INTRODUCTORY BEGINNER'S SQUARE DANCE, 7:30 - 9:30, Saturday, July 6 at the 519. This will be followed by another WESTERN PARTY from 10:00 p.m. - 1:00 a.m. Admission to any part of the evening will be \$5.00.

Please tell your friends about this and bring them along to this special evening. Put a smile on your face and help guide people through Allemande Left, etc. Joe is coming in to teach on that occasion. Stay for the Western Party afterwards. It should be very much cooler with the new air-

519 and \$5.00 admission is a bargain. Don't forget, we need help on the door, bar and drink ticket table. Speak to Stephen.

OUT AND OUT JAMBOREE

Another event from which we've gained a large contingent of dancers in the past is the Out and Out Jamboree in August. This year there will be two nights of square-dancing, for which Joe has agreed to call. All sorts of other summer fun activities are part of this in expensive weekend. See Brian Wilding for further details.

DANCING IN THE FALL

Your Steering Committee has decided to take advantage of Joe's skill in calling, so the new Basic class and the new Plus class will both be on Thursdays. Basic will be from 7:00 - 8:30 and Plus will be from 8:30 - 10:00. Thursday, Sept. 5 will be a Club Night - no teaching, just a review to see how much you remember. To prepare for this, get out your manuals and go through the definitions.

We haven't yet finalized what is to happen on the Mondays at Church St. Public School. A number of dancers are now newly enthused about learning A1 moves after having danced at the convention or workshopped that level. So as well as trying to find time for those who dance the whole list of Plus calls, we're also thinking about how best to learn and review the Advanced moves.

Convention Bolos

In order to present a united front, Canadian bolos were made up specially for those who went to the convention. \$7.00 would cover the cost of these bolos. Since we are making every effort to conserve club funds for the future, it would be appreciated if those who wore these bolos would give \$7.00 either to John or to Herman within the next two Thursdays. Thank-you.

UPCOMING DANCE DATES

JUNE

Mondays at Church St. Public School

June 17 - Plus/A1

June 24 - Plus/A1

Thursdays at the 519

June 13 - Basic/Mainstream and Plus/A1
