*News from all Angles*  
July & August 1994

A reminder of a few of the events that are going on this summer:

1. The July club night is Thursday, July 14th at the 519. Our caller for this evening will be Joe Uebelacker.
2. As noted on the attached flyer, the picnic will be held on August 7th at Hanlan's Point. Early indications are that we are going to have a good turn-out, and this should be a good time. Remember, that any non-dancing friends would be more than welcome. We have also invited back some of the people who have danced with us over the last two years, and no longer come out.
3. The August club night is going to be held on Thursday, August 18th at the 519, with Tim Crawford calling.
4. The Toronto District Square Dance association has organized dancing at the CNE for the last few years, this year they will be dancing on Sunday, August 21st. Last year we had over two squares attending, and it was a great deal of fun (and includes *free* admission to the CNE). We expect to have as many dancers again this year, with all the dancing being at the mainstream level. If you haven't got a form to fill out, give John Bailey a call at 921-0571, and he will fill one out and send it in for you.
5. Dancing begins again in September on the following dates:
  - Basic: Introductory nights (7:00) September 7th, 14th, & 21st, with the first class on September 28th, Jesse Ketchum School at Bay & Davenport. The cost of each of the introductory nights will be \$5.00, and after that, dancers have the option of paying \$50.00 for the next 12 nights.
  - Plus: Thursdays, starting September 8th; 8:30-10:00 at the 519 Community Centre.
  - A1: Thursdays, starting September 8th; 7:00-8:30 at the 519 Community Centre.
  - A2: Wednesdays, starting September 7th; 7:00-9:30 at Jesse Ketchum School at Bay & Davenport.

The Demo Team practices are still to be determined, and we will advise when this has been finalized.
