## [Dance](#)

▲■ is having its ♥ Dance on Feb 10, 2:30-5pm, @ [519 Church](#). This is an "all level dance"; we'd ♥ to see all basic class dancers attend; you'll have a great time. Who is your secret Valentine? Wear red, and/or "cupid"-like garb; it might win you a prize. Caller [Barry Clasper](#) will put us through some unique moves.

## Membership Fees

Fees for the second term of classes are **now due: \$110**. Payment options:

- You can give us (or mail) a cheque made out to Triangle Squares **OR**
- Pay electronically, from the comfort of your PC. As an **incentive**, you may deduct your bank's Interac fee from your payment if you use this method. Sending money via e-mail using the Interac system is simple and secure. On your online banking screen look for the link titled 'Interac e-Transfer'. Your bank will have detailed instructions to guide you through the process.
  - The email we use for fees is: [treasurer@trianglesquares.com](mailto:treasurer@trianglesquares.com) (**Please note the updated email**)
  - You will need to enter a password to complete the transfer; please use "dance" (all lowercase) as the password.
  - In the message line of your transfer, please type in the name(s) of the dancer(s) your payment should be credited towards, so we don't have to guess.

Thank you!
