Class fees

The spring term of Triangle Squares classes are about to start and that means that class fees are now due for the upcoming term.

Class Fee: \$115

Class Fee - Snow Bird or Student rate: \$70

Please speak with a board member to discuss class fee alternatives if your financial situation requires. We want you to dance with us and will accommodate as needed.

We offer 3 convenient options for you to pay for the class fees of \$115:

Cheque: Bring a cheque to your class payable to Triangle Squares

Credit Card: We can now accept credit card payments directly from you. Just bring your card to your class. Michael Moores will be in your first two weeks of classes to collect.

Interac Email money transfer: On your online banking screen look for the link titled 'Interac e-Transfer'. Your bank will have detailed instructions to guide you through the process.

The email we use for fees is: treasurer@trianglesquares.com

You will need to enter a password to complete the transfer; please use "squaredance" (all lowercase) as the password.

In the message line of your transfer, please type in the name(s) of the dancer(s) your payment should be credited toward.

Please let me know if you have any questions or concerns!

Get to know Mike G.

One of your new Basic Mainstream class reps!

“If you could sing one song on American Idol, what would it be?”

Hard to pick one, and I'm not great at singing, but I'd say Under the Sea, I don't want to set the world on fire, or some other old crooner song.

“If you were on an island and could only bring three things, what would you bring?”

I have a couple sets of answers for this.

(Impractical, silly) A TARDIS, a companion, and a sonic screwdriver.

(More practical, silly) An RV, a companion, and solar panels.

(Full practical, serious) A good knife, a companion, and a large canvas tarp.

“If there was a movie produced about your life, who would play you and why?”

Cary Elwes, because why not?

“What was best gift you have received?”

A quilt my mother made me. It's pretty awesome. Green/brown, trees/nature, fancy stitching, and practical.

“What is the funniest thing that has happened to you recently?”

I had a cat in my lap, while I was not wearing pants. She decided to leave my lap quite suddenly and enthusiastically. I got quite a deep gouge on my inner thigh from it. Oh, cats.

Your new IAGSDC rep on the Toronto Triangle Squares Steering Committee

"If you could sing one song on Canadian Idol, what would it be?"

Mack the knife

"If you were on an island and could only bring three things, what would you bring?"

Sunscreen, beer, lube

"If there was a movie produced about your life, who would play you and why?"

Russell Crowe - only one who could pull my looks

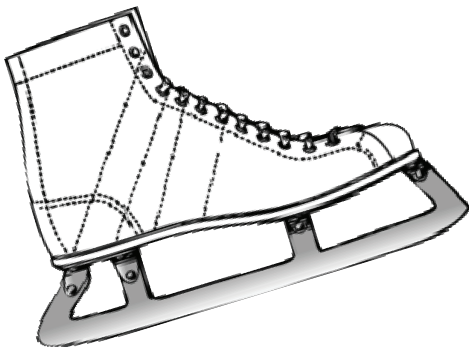

"What was best gift you have received?"

Small crystal bear

"What is the funniest thing that has happened to you recently?"

Maid walked into my room while I was standing there naked. Still wondering why she was so terrified.
